**Re: Committee Meeting Scheduled 11:00 am on January 7, 2014, at GCWSA**

#### Committee Members:

To decide how river commissioner duties will be handled during the 2014 irrigation season, a meeting of the Mill Creek distribution system committee with representatives of the State Engineer is scheduled January 7, 2014 at 11:00 am. We will meet at the Grand County Water & Sewer Service Agency. Each committee member's thoughts about hiring a new commissioner or going without a commissioner will be important so please plan to attend.

Thanks to each of you for your time and efforts,

Sue Odekirk

Mill Creek Distribution Engineer
